I wish to thank everyone who has sent me info on my Davis line. On my Fathers line. They intermarry with families have already done so may have to go to other family books for info.

I started doing genealogy in 1969 and all my grand parents were gone but had other members of their's could get info from. Otherwise I worked at the court house and library and cemeteries to find info that I could.

I with others spent many a week at the Ft. Wayne, IN library, Salt Lake City library, Madison, WI library and many hours at Columbia, MO library just about every year from when I started. There was 4 of us who went to Iowa City every month during the good weather but now one has moved, one has passed and the other can't get out any longer and no fun to go by your self. So decided it was time to stop. This was before the internet so didn't have that to rely on but was just as well as have found a lot of wrong info on the internet. (I can't say mine is all right either) As much of it was not able to be proven for sure so just had to go by what we could find. But if anyone has proof of what you find is wrong in any of my books I would appreciate knowing it. We know every one is not 100% right as no one is perfect, even in research. New Data June 2017-GLT

So hope these books will be appreciated and enjoyed as much as I had putting them together. But I think now is the time to turn them over to someone else to enjoy as I can't get to the libraries any longer and only the internet to rely on and that isn't as much fun as going to the places where your ancestor's walked themselves.

You will notice different address's but the one above is correct.

Anderson, Great Migration Series states Dolor was from Farleigh Kent. Margery and Dolor were married in Farleigh. Wife Margery was baptized in Horsemonden, Kent

Wikipedia article states he was from Bennefield, Northampton, England. (Cites no source) This has later been disproven.

Arrived at Cambridge in 1634, vessel unknown; he and Simon Willard are **not** listed on the ship list for the *Elizabeth* that year or in 1635 when Margery and children are listed.

No evidence confirms that he had a son Nicholas, as written in Amos Otis' Barnstable Families. Nicholas Davis of Barnstable died after Dolor Davis, and is not listed among the children in Dolor's will.

Biography

Dolor Davis, immigrant ancestor, was one of the prominent pioneers of New England, arriving in Cambridge in 1634 ^[1] from East Farleigh, Kent, England with his brother-in-law Simon Willard. The vessel on which they came is unknown. ^[2] He is thought to have been born about 1599, ^[1] based on his first marriage. ^[3]

He married in East Farleigh, Kent, England, on March 29, 1624. Margery, daughter of Richard Willard, of Horsemonden, county Kent, yeoman. She was baptized at Horsemonden. November 7, 1602, and died before 1667. ^{[2][3] [1]}

His wife and children John, Mary and Elizabeth, appear on the ship's list of the *Elizabeth*, sailing in April 1635. ^{[4] [2] [1]}

His wife Margery last appears on records on July 7, 1658 when they sold there lands in Barnstable. In Feb., 1667/8, his name appears alone in reference to the same property. ^{[2][3] [1]}

In 1666, Davis left Concord and returned to Barnstable. He married, after his return, Mrs. Joanna Bursley, born in England about 1620, daughter of Rev. Joseph Hull and widow of Capt. John Bursley. ^{[2] [3]} John Bursley's death is recorded as both 1660 and 1670, but he is listed as an inhabitant of Barnstable as late as April 5, 1670, so the marriage probably took place about 1671. ^[1]

Dolar Davis' will written Sept. 13, 1672, was proved July 2, 1673. He probably died late in June of 1673. ^{[2] [3] [1]}

The will mentions his wife Joanna and he indicates that he has already provided for his sons Simon and Samuel; and then he bequeaths his house and land in Concord to his son John, adding, "I also bequeath to him my carpenters tools and serge suit and cloke." He left bequests to his son-in-law Thomas Lewis and his wife Mary, and to his daughter Ruth Hall. His son John was executor. ^{[2] [3] [1]}

There is no evidence that he had a son Nicholas. This child will be removed.

Biography

Dolor Davis, immigrant ancestor, was one of the prominent pioneers of New England, arriving in Cambridge in 1634 [1] from East Farleigh, Kent, England with his brother-in-law Simon Willard. The vessel on which they came is unknown [2]. He is thought to have been born about 1590, [1] based on his first marriage, [3]

He married in East Farleigh, Kent, England, on March 29, 1624, Margery, daughter of Richard Willard, of Horsemenden, county Kent, Yeoman. She was baptized at Horsemenden, November 7, 1602, and died before 1667. [2][3][1]

His wife and children John, Mary and Elizabeth, appear on the ship's list of the Elizabeth, sailing in April 1635. [4][2][1]

His wife Margery last appears on records on July 5, 1688 when they sold their lands in Barnstable. In Feb., 1667, his name appears alone in reference to the same property. [2][3][1]

In 1665, Davis left Concord and returned to Barnstable. He married, after his return, Mrs. Joanna Bursley, born in England about 1620, daughter of Rev. Joseph Hull and widow of Capt. John Bursley. [2][3] John Bursley's death is recorded as both 1660 and 1670, but he is listed as an inhabitant of Barnstable as late as April 2, 1670, so the marriage probably took place about 1671. [1]

Dolor Davis' will written Sept. 13, 1675, was proved July 2, 1678. He probably died late in June of 1673. [2][3][1]

The will mentions his wife Joanna and he indicates that he has already provided for his sons Simon and Samuel; and then he bequeaths his house and land in Concord to his son John, adding, "I also bequeath to him my carpenter's tools and serge suit and cloak." He left bequests to his son-in-law Thomas Lewis and his wife Mary, and to his daughter Ruth Hall. His son John was executor. [2][3][1]

Dolor Davis (1590-1673) (Wikimedia Commons)
Anderson, Great Migration Series states Dolor was from Farleigh Kent. Margery and Dolor were married in Farleigh. Wife Margery was baptized in Horsemenden, Kent.
Willbede article states she was from Bennetfield, Northampton England. (Cites no source) This has later been disproven.
Arrived at Cambridge in 1634, vessel unknown; he and Simon Willard are not listed on the ship list for the Elizabeth that year or in 1635 when Margery and children are listed.
No evidence confirms that he had a son Nicholas, as written in Amos Oot, Barnstable Families. Nicholas Davis of Barnstable died after Dolor Davis, and is not listed among the children in Dolor's will.

The inventory of estate in Concord was "£125 5s. Id. ^[2] ^[1]

Joanna was living in 1683. ^[2]

He was both a husbandman and a carpenter/ master builder. His trade in building may have prompted the frequent moves of his family, as new settlements offered him new employment with his son John, also a carpenter. He was only briefly at NewTowne/Cambridge (1634-5), leaving after just one year, as many of the inhabitants abandoned the settlement over disputes. He was of Duxbury by 1638, then briefly in Scituate. He settled at Barnstable more permanently in 1643 accumulating some 120 acres of land holdings. He remained there until 1655, when he purchased a house and lands in Concord. In 1655 he also received land grants in Groton, but it appears he never lived in the town. he remained at Concord until 1666/7, then removed finally back to Barnstable. ^[1] ^[2] ^[3]

Biography

Joanna, daughter of John Hull, was born in 1620, at Bennefield, Northamptonshire, England. She was the only child of her father, and probably the youngest. Her father was a weaver and may have been an indentured servant, before coming to New England.

Edward Taylor, in his report to March 1624, on the Massachusetts journey that of her father's wedding, says that she was 16 years old at that time. Her father was 70 years old at that time, and the age of her mother was 12.

The first family settled in Concord, and Joanna was the only daughter of the family.

She was the only daughter of the family, and was the only daughter of the family.

On 18 Jan 1648 = 22 Jan 1647 (new style) she was married to John Bursley.

1648

There is a suggestion that she was the only daughter of the family.

Disambiguation

John Bursely of Exeter, Hampton and Kittery was a different man, of a lower social stratum; there were chronological conflicts between him and the Barnstable man.^{[1][2]}

According to Anderson (Great Migration) the origins and parents of John Bursley are unknown. As I researched I found no hint of parents. These parents should be disconnected. Objections?

Pope's Pioneers^[3] and the Gen. Dict. of Maine and New Hampshire^[1] refer to the man in Weymouth and the man in Barnstable as two separate men. The evidence is strong that the men are one man.^[4]

Birth

John Bursley was born about 1600 in England. This is based on his appearance in Wessaguscus (now Weymouth, Massachusetts) in 1623.^[4]

Immigration

It has been established that John Bursley was part of the settlement started by Robert Gorges, who arrived in the fall of 1623 and settled at the failed settlement of Wessaguscus (Weymouth).^{[4][5]} He removed to Barnstable by 1639.^[4]

- 2 Jun 1634: A Dorchester committee was formed to assess £30 in order to pay the captain of the train band.^[8] Anderson (Great Migration Series) points out that Dorchester and Weymouth were intertwined in church and military matters in the early days. So John was probably not a resident of Dorchester.^[4]
- 25 May 1636: John Burseley was the Deputy from Weymouth to the Massachusetts Bay Court.^[9] "Waimouth" sent three Deputies, but because the town was so small the deputies requested, 8 Sept 1636 that two of them be dismissed, which the court allowed dismissing Mr. Bursley & John Upham.^[10]

"He resided in the house of his father-in-law, till about the year 1650, when he removed to the Bursley farm at West Barnstable. His first house was built on the north side of the County Road. The style was that of the wealthy among the first settlers. ... An incident in his personal history which occurred during his residence at the old house has been preserved by tradition. The women were alarmed, being unable to extricate the calf. Mr. Bursley directed them to fasten a rope around it, and pass the end into the house. They did so, and with his aid, the calf was drawn out and saved."^[16]

Death

He died in Barnstable before 21 August 1660 (date of his inventory). There is some question over this date. A list dated 5 April 1670, containing the name of inhabitants entitled to the use of meadow-land contains the name of John Bursley.^[17] Anderson does not mention this.

He settled in Concord. His homestead was near his father's house, on a farm given him by his father. ^[1] ^[3]

- From Capt Wheeler's further narration and from other authentic sources we learn that after a circuitous and difficult march of ten miles the company came into Brookfield town spreading the alarm among the inhabitants. There they at once seized and hastily fortified one of the largest and strongest houses said to have been the Inn of Sergt. John Ayres just slain in the fight. The alarm spread through the town and the inhabitants immediately left their own houses and fled to the house held by the troopers in their fear bringing very little with them either of food or clothing. Samuel Davis purchased, in 1696, the homestead in the west part of Bedford, then Concord. It was conveyed to Samuel, Sr. by John Jones, Jr., Samuel Hartwell, Sr., Joseph Dean, and Nathaniel Harwood, of Concord.

The dwelling (1891) is on the site of the original house, up high, overlooking the Concord River. It faces in the same southerly direction. For the first century and a half it was painted red; but was changed to white after some repairs.

The homestead has passed through six generations from Samuel, every heir being named Eleazer until Benjamin Josiah was born in 1810; and, later, became the heir. Thirty-eight Davis children were born in the first five generations on this estate. This estate is regarded as remarkably well located for healthfulness; and, longevity was noted in the family which has been prominent in the history of the town and church ever since the incorporation in 1729. DNA Connections

It may be possible to confirm family relationships with Samuel by comparing test results with other carriers of his Y-chromosome or his mother's mitochondrial DNA. However, there are no known yDNA or mtDNA test-takers in his direct paternal or maternal line. It is likely that these autosomal DNA test-takers will share DNA with Samuel:

Biography

From "History of the Town of Bedford" by Abram English Brown, Pages 97:

The John Nevell Farm (1891) originally belonged to Stephen Davis, son of Samuel and Mary Medows Davis. Stephen located here after marrying Elizabeth Fletcher in 1713. In the description of boundaries covered by the act of incorporation of 1729, it appears that both Stephen Davis and John Stearns were located in this vicinity; the Stearns farm later being added to the Davis estate.

Stephen Davis, Sr. was a man of marked ability. He was active in the incorporation of the town, one of the first constables, and collector of taxes. He died in 1738 and was succeeded by his son, Deacon Stephen Davis. Deacon Amos Hartwell followed the Davis family and he sold the estate to John Nevell.

From Page 83:

On the day of his death, July 11, 1738, he arose early, and went to his work, and not returning to his breakfast, search was made for him; when found, he was lying dead by a few short swaths of grass which he had mown in the meadow that borders on a branch of Shawshine

2nd wife Rebecca Larkin 1707-?? md 13 Jan 1746. Doesn't have children listed for her.

3rd wife Deborah Haynes 1703-1778 md 24 Dec 1770 Gloucester, MA and listed 8 children from birth dates of 1724 to 1750.

So surley there is more info on these people to listed right wives with right dates and their children as the 3 of WikiTree certainly does not match the wives with right children according to birth dates/-
GLT

There is another situation where maybe the dates of marriage to each person is wrong and also a slight situation he had children from other women (that would be the last thought, but all is so strange since nothing fits right) What is the Answer?

CHILD 2 - Eleazur Davis

No info from WikiTree under parents.

CHILD 3 - Stephen Davis

Nothing under wikitree on Stephen other then parents.

CHILD 4 - Abigail Davis

Md 1719 and had 9 children from wikitree.

CHILD 5 - Mary Davis

Only birth date and parents and siblings in Wikitree.

CHILD 6 - Jacob Davis

No other inf on Jacob but birth and parents and siblings.

BIOGRAPHY

She was born in Concord, Mass., Jan. 22, 1699, dau. of Samuel and Abigail (Reed) Davis, and died probably early in 1752, as on Feb. 21, 1752, two of her children, of whom she was the guardian, petitioned to have another guardian appointed and we do not hear of her after this date.

The Chaffin family may congratulate themselves in thus inheriting from Abigail some share of the Davis blood, for from it have sprung three governors of Massachusetts, two members of Congress, two presidents of Harvard College, Capt. Isaac Davis killed in the Concord fight, and many others as worthy if not so well known.

Notes

HUSBAND - Samuel Davis III *

*FamilySearch site listed Samuel Davis III 1703-1773 as md 1st to Sarah ?Unknown (who is probably the mother of John Davis 1737. Since 2nd wife was Rebecca Larkin md to Samuel 1746.

This site also listed Samuel Davis 1703-1773 md 1st to Sarah Boynton 1708-1747 before 1738 since John Davis was born 1737. Sarah believe died by 1746 since Samuel md Rebecca 1 Jan 1746 - 47.

Believe Sarah and Samuel had 2 sons John Davis b 1737 and Joseph b. 1738-1792

Rest of Samuel's children probably Rebecca's who he md 1746-7.

*WikiTree site listed Samuel Davis III 1703-1773 both in MA. (Yet the son John Davis I b 1737 d. Wythe Co. VA 1796 says he is son of Samuel Davis and Rebecca Larkin who didn't marry till 1746 in MA. and appears never left MA. Not sure where John was born thought).

Listed his parents as Samuel Davis Jr and Abigail (Read) Davis.

He listed his children as Ebenezer, Samuel, Susannah, John, Deborah, John, William Henry, Deborah and Anne Davis.

He listed he was brother of Eleazur, Stephen, Abigail Chaffin, Mary, Simon, here on all Half siblings, Jacob, Stephen, John, Lydia, Martha and Deliverance Davis. (copy)

One source listed Dolor Davis 1599-1673: A sketch Of His Life by Horace Davis pg 41.

Checked WikiTree for each wife Sarah Boynton 1710 VA - 1810 ?. believe to have 6 children from 1735-1743 md bef 1735. Said she had sdon John Davis 1737 Wythe Co. VA -1796 Wythe Co., VA. had 9 children but said parents were Samuel Davis III and mother unknown (should be Sarah).

2nd wife Rebecca Larkin 1707-?? md 13 Jan 1746. Doesn't have children listed for her.

3rd wife Deborah Haynes 1703-1778 md 24 Dec 1770 Gloucester, MA and listed 8 children from birth dates of 1724 to 1750.

Wife	Sarah Boynton
Notes	HUSBAND - Samuel Davis III * (Continued) So surley there is more info on these people to listed right wives with right dates and their children as the 3 of WikiTree certainly does not match the wives with right children according to birth dates/- GLT There is another situation where maybe the dates of marriage to each person is wrong and also a slight situation he had children from other women (that would be the last thought, but all is so strange since nothing fits right) What is the Answer? CHILD 2 - John Davis Sr.I *WikiTree site listed John Davis 1737-1796 born Wythe Co. VA, Spouse: Mary Hutsell, no date for marriage probaby Wythe Co? Parents: Samuel Davis III 1703-1773 and mother unknown. But in Samuel Davis III WikiTree site listed husband of Rebecca Larkin 1746 md and Deborah Haynes 1770 md. Johns info listed his children some with dates and some with more info and 9 siblings (all half sibliings.) (copy) *FamilySearch site listed John Davis Sr 1725-17i96 md 1754 and Mary Hutsell 1741-1796. (some same and some not same dates. Listed daughter Barbara Davis 17i74-1817 md 8 Apr 1790 Montgomery Co. VA, Joseph Fanning Sr. 1766-1849 (again difference in dates.) (copy) 1735 Samuel Davis 1703 md 1st Sarah Boynton MA 1708-1746-7. So she should be mother of John Davis Sr. I But he says born Wythe Co. VA and died there but parents were born and died in Essex Co. MA. (SO THIS DOESN'T FIT RIGHT EITHER- GLT) *Samuel Davis and Rebecca Larkin didn't marry until 1746 Lunenburg, Worcester, MA so how did John Davis Sr (1) be born to them in 1737 Wythe Co. VA????? *Descendants of John and Mary Davis of Wythe Co. VA. First Generation" Here was listed John born abt 1730-7 died 18 May 1796 Wythe Co. VA. They had 10 children that were listed some with dates. According to info John Sr. will was written 18 May 1796 and proved 14 Sep 1797 in Wythe Co. VA. Listed in will was son John Jr. who died 1815 and his wife Mary, who recieved a house lot in town of Evansham, VA. This info also on internet "Descendants of John and Mary Davis of Wythe Co. VA" that can't find out who put it on but the address was: www.geocities.com/watsgw1155/davis2/pafgo2 Jul 2004 This info listed his will from Wythe Co. VA Will Book 1 1797 pages 90-91 and probated 14 Sep 1797. Also notation e-mail from Arnold E. Brinkerhoff dated 29 Aug 1999. (that famiy is represented in these 3 generations of Davis's) Listed 10 children, all of which were listed in his will from another internet site worldconnect.genealogy .rootsweb.com/cgi-bin/igm.cgi?op=GET&db=1177167&id=1844 put on by Tara Hermann at therman@jwpepper.com (Jul 2004) Will of John Davis I: In the name of God Amen, I John Davis Sen. of the county of Wythe and Commonwealth of Virginia being weak in body but of a sound and sisposing mind, memory, thanks be to God for His mercies and knowing that it is appointed for all men once to die, do mak and ordain this and no other to be my last will and testament that is to say I give and bequeath to my beloved wife Mary after my decease all land with the appurtenances whereon I now live, together with all my household furniture and stock of every kind during her natural life and after her decease I give and bequeath to my son Josep the said land and appurtanences with an equal part of my personal estate to be equally divided after the death of my wife between him and the rest of my children John, George, Jacob Davies (and my three grandchildren Betsy, Polly, Susy Davies daughters of Abraham Davis my son, Betsy, Eve, Elizabeth and Barbary & Polly who have intermarried with John Hutsell, Daniel Wisely, Lewis Hutsell, Joseph & John Fannon and that my son Joseph pay to my aforesaid sons the sum of five pounds cash within one year after the decease of my wife over and above their wqual part of my personal estate in Consequent of my willing to my said son Joseph all my lands aforesaid containing two hundred & ninty-nine acres by patent & entry hereby revoking & disannulling all others and ratifying & confirming this and no other to be my last will and testament. Notes	CHILD 2 - John Davis Sr.I (Continued) At this last site also was noted that John Davis the first of the family of whom there is any record, came to Virginia and settled in the New River Settlement before 1746. In 1746 John Davis, Adam Moser, Jacob Castle, Jacob Harmon, James Skeggs, and others, were appointed workers on the road from Adam Harinous's to the North branch of Roanoke River. John Davis and others obtained land grants by survey in what was then Augusta County. John Davis obtained additional land, and after Wythe County was formed 1789-90 his land fell within the new county whre the present town of Wytheville now stands. John Davis's sons also obtained land and wre residents of the same community, and several members of the Davis family were associated with the St. John's Lutheran Church after its organization in 1800, and members of the Davis family are buried in the Churchyard. John Jr., Joseph and Jacob Davis contributed to the building fund for the first church and for the purchase of an organ. The first internet site of Descendants of John & Mary Davis of Wythe Co. VA listed his wife Mary b. ca 1730 and died after 18 May 1796 and their children were listed as: John, Elizabeth, Eve, Jacob, Abraham, George, Joseph, Betsey, Barbara and Polly Davis. John Davis started getting much land on Reed Creek, thein in Montgomery Co. VA, later Wythe Co. in 1781, confirming settlement of the land in 1772 (by whom?) Some of this land was same land Spencer Lehew sold in 1817. It is believe thier children were: John , Joseph, George, Jacob and Abraham. Sisters: Betsy md John Hutsell; Eve md Dan Wisely; Elizabeth md Lewis Hutsell; Barbary md Joseph Fannen and Polly md John Fannen (Fanning?) John died 1812, Jacob died 1820 and Abraham died by 1794. Jacobs deceased by 18 Dec 1820, sale on 20 Dec 1820 and 2 buyers listed: Elizabeth Berry and Joseph Davis Jr. (nephew or cousin?) Wythe Co. VA. Abraham's inventory Wythe Co. VA 1794 beleive he had 3 children: Betsay, Polly & Susy. *FamilySearach listed John Davis 1737-1796, md Mary Hutsell 1754 as: Joseph 1755; Eve 1759; Abraham 1759; JOHN 1761; Jacob 1767; Mary Polly 1768; George 1769; Virginia 1771; Barbara 1773-1817 md Joseph Fanning 1756-1848. *WikiTree listed John Davis 1737-1796 Brother of Jacob, Eve Hutsell, Betsy Hutsell, George, Joseph S. Barbara Fanning, Mary Polly Fanning and Elizabeth Wisley. *FIND A GRAVE internet site of daughter Barbara Davis Fanning with interesting history on the Davis family. Her parents were John Sr. and Mary Davis of Wythe Co. VA. This Davis family w3as Lutheran of German descent an the original surname was somtheing that sounded close to Davis when daid in German to English Scribes. (Had checked Davis family from Wikitree which none listed Germany as destination so not sure the Davis pedigree is right but this is what is listed for John Davis Sr and Mary Hutson Davis.

At this last site also was noted that John Davis the first of the family of whom there is any record, came to Virginia and settled in the New River Settlement before 1746. In 1746 John Davis, Adam Moser, Jacob Castle, Jacob Harmon, James Skeggs, and others, were appointed workers on the road from Adam Harinous's to the North branch of Roanoke River. John Davis and others obtained land grants by survey in what was then Augusta County. John Davis obtained additional land, and after Wythe County was formed 1789-90 his land fell within the new county whre the present town of Wytheville now stands.

John Davis's sons also obtained land and wre residents of the same community, and several members of the Davis family were associated with the St. John's Lutheran Church after its organization in 1800, and members of the Davis family are buried in the Churchyard. John Jr., Joseph and Jacob Davis contributed to the building fund for the first church and for the purchase of an organ.

The first internet site of Descendants of John & Mary Davis of Wythe Co. VA listed his wife Mary b. ca 1730 and died after 18 May 1796 and their children were listed as: John, Elizabeth, Eve, Jacob, Abraham, George, Joseph, Betsey, Barbara and Polly Davis.

John Davis started getting much land on Reed Creek, thein in Montgomery Co. VA, later Wythe Co. in 1781, confirming settlement of the land in 1772 (by whom?) Some of this land was same land Spencer Lehew sold in 1817.

It is believe thier children were: John , Joseph, George, Jacob and Abraham. Sisters: Betsy md John Hutsell; Eve md Dan Wisely; Elizabeth md Lewis Hutsell; Barbary md Joseph Fannen and Polly md John Fannen (Fanning?) John died 1812, Jacob died 1820 and Abraham died by 1794.

Jacobs deceased by 18 Dec 1820, sale on 20 Dec 1820 and 2 buyers listed: Elizabeth Berry and Joseph Davis Jr. (nephew or cousin?) Wythe Co. VA.

Abraham's inventory Wythe Co. VA 1794 beleive he had 3 children: Betsay, Polly & Susy.

WIFE - Mary Hutsell?

Wikitree site of John Davis 1737-1796. No date for mg and not sure of her birth date.

She was listed in will of John Sr. in 1796.

CHILD 1 - John Davis Jr* II

*WikiTree site listed John Davis JR born abt 1751 and died interstate 1812-7 Jun. died of natural causes. There were cases where his wife Mary or Elizabeth? charged John for separante maintaince and other things. Also said they divorced 9 Jan 1798 but could have been separated before that. (strange then his beloved wife Mary was listed in his estate). Their children listed as William Davis b. 1782 md Isabella ? bef 1818; George Davis 1780and died 1825; Abraham Davis md Mary ? aft 1818 (Abraham and Anne Davis(unsure who Anne is) orphans of John Davis who were over 14 but not of age when father died 1812. Elizabeth Davis b. 1790 d. 10 May 1813. CHILD 1 - John Davis Jr* II (Continued)

One land record in Wythe Co. stated Spencer sold his share of property of John Davis (Peggy's father) in 1817.

According to wills, John Davis died by 11 Aug 1812 when his will was probated in Wythe Co. VA.

According to other info John Sr. had a son John Jr. who died by 1815 unmarried. According to will John's daughter Margaret received from his fathers estate as of 1 Oct 1812 and she was not married at that time but believe she md Spencer Lehew soon after. Spencer and Margaret sell their portion of John's land in Oct 1817, which shortly they started moving west, to Harrison Co. IN

Mary (Polly), Johns widow was alive in 1815 and she received a dower for husbands estate, a house lot in town of Evansham, VA. which was former name of Wythville, VA. Wythe Co. VA Will Bk 1 pg 46. Recorded 14 Mar 1815 by Jacob T. Fishback, John Johnston, John L. Lindnbarger

Also stated this John received a portion of his father John Davis Sr. will which was dated 18 May 1796 and probated 14 Sep 1797 in Wythe Co. VA. His wifes name was Mary and she was living and named in husbands will of 1796.

Will of John Davis Jr. 17 Jun 1815 - 12 Sep 1815 listed mother, Mary Davis, brothers William and Abraham Davis.

One source said he died Abt 1812 Wythe Co. VA

Internet source by Tara Herrmann Nov 2002 said he died May 1796/Sep 1797 and listed 10 children for them. (This was the first John and our John was son of first John who d. 17 Jun 1812 Wythe Co. VA.) Also stated his wife was Mary Hutsell.

From the book "the Lost Children of Wythe County, Virginia 1790-1878" by Mary B. Kegley pub 1995 pg 109:

Abraham and Anne Davis, orphans of John Davis, deceased, upwards of age 24, chose John L. Lindenberger as their guardian.

The heirs of John Davis are listed on February 14, 1816 when Jesse Evans brought suit against them. They were John, George, William and Abraham Davis, Charles J. Woodson and his wife, Caty, who was a Davis, Spencer Lehue and his wife Peggy, who was a Davis, Jacob Harrell and his wife Anne, who was a Davis, Jacob Whitmore and his wife Nancy, who was a Davis and appers to have married second, Henry Hufford, and William Ferguson and his wife Susanna, who was a Davis (according to Wythe county Order Book p41).

These were the children listed for JOhn Davis from different sources.

Early Adventures in the Town of Evansham, Vol IV by Mary B. Kegley pub 1998 pg 63- 1815 Tax assessments for Eversham (now Wytheville,) Wythe Co. VA: Joseph Davis, one farm on Reed Creek 1 1/2 miles south of Wythe C.H., 317 acres, having thereon one dwelling of wood, 30 feet by 18 feet, 1 1/2 stories, smoke house, stable, spring house, corn crib, valued at \$4,219, 1 other tract on the north side of Lick Mountain, 60 acres valued at \$60, 2 "lotts" in the town of Evansham, on the northside of Main Street, 1/2 acre each, 1 having dwelling house, 2 stories, 24 feet by 18 feet, kitchen and other unimproved, valued at \$800, total \$3079.

Pg 108: Joseph Davis is probably the son of John Davis Sr and is often identified as Joseph DAVIS Sr. in the reocrds. His first purchase of lots in town was in 1813 when he obtained lots 69 and 70 from Lewis Hutzell andwife, Eve. In 1815 when the tax assessments wre made, in addition to a farm on Reed Creek and acreage on Lick Mountain, Joseph Davis had 2 lots in Evansham on north side of Main street (same as above info). In 1821 following a suit, Harond Smyth made a deed to DAVIS for lot 55 in the town and in 1823, Joseph obtained the releas in lot 55 from the widow, Susannah Reddick, who was then the wifeo Hugh Wilson. This lot was located on the south side of Main Street, the 2nd lot west of present 7th Street (Wythe Co. Deed Book 6 pp10-11, Book 7 p41, Book 8 pp320-321, Book 9 p396 (Kegley, Tax Assessments, p120). In 1821 Joseph Davis, identified as Senior, put a deed of trust on the three lots on the north side of the street. One of them was in possession of John J. Woolford. In 1828 antoher deed of trust was put on the same lots as well as 307 acres on Reed Creek. In 1825 andagain in 1828 he put a deed of trust on lot 55 and his lot in Mt Airy. In each instance the reason was debts owed to Henry Hoppess Jr, James Ward, John Ward, the administrator of James Ward, deceased, and Leonard Straw. In 1830 another deed of trust was placed on a house and lot on the north side of Main street where John Seavers lived, but no nubmer was given. In 1835 Davis sold lot 71 to Martin Kegley for \$400. In 1838 lots 69 & 70 were also sold to Martin Kegley (Wythe Co. Deed Book 9 p102, Book 10 p1856, Book 11 pp21, 112, 536, Book 13 pp130, 795. The Joseph Davis whose inventory was taken in 1827 is not the Joseph of the Town of Evansham as he wasstill alive in 1838. Nothing else is known of him.

(1) Joseph S Davis, b 1763, who was to inherit all of his father's land devised by the will after the death of his mother in 1827. His estate was appraised in Jul and an Inventory and Bill of Sale dated August, 3, 1827 was recorded. He m. Peggy (unk) who was appointed administration of his estate. The 1810 census for Wythe Co. shows that they had eight children. 1796 - May 18: Joseph Davis was listed as a son of John Davis in John's will that was proven Sep. 14, 1787. John bequeathed to his son Joseph all his land and appurtenances and an equal part of his personal estate to be equally divided after the death of my wife between Joseph and the rest of the children [Wythe Co., VA Will Book 1, pages 90 & 91]. Joseph Davis b. 1763 and married Margaret Hays.

(2) John Davis JR was born around 1751 and died intestate 1812 - Jun 7: John Davis, Jr. died of natural causes in Wythe Co., VA according to the coroner's report. 1804 - Dec: Numerous Wythe Co. petitioners signed a document protesting the obstruction of a dam erected by Andrew and James Crockett at their ironworks on Reed Creek and requested that they be compelled to erect a slope "in such a manner as shall be sufficient to admit the passage of fish". Joseph Davis was one of many signatories of the document. 2 Vol II, Pg 375. - Joseph Davis owned more than 300 acres of land on both sides of Reed Creek, adjoining each other. One tract of 134 acres was patented in the name of John Davis, Sep. 16, 1795, another Aug. 25, 1796 and containing 165 acres - This was likely the inheritance he received from his father. A small parcel, patented in the name of John Hutsell (likely a relation to his mother Mary Hutsell) was purchased in 1803. [From a Paper titled General Developments on New River - Wythe County, page 15, in "Families - New River" File, Kegley Library, Wytheville Community College, Wytheville, VA.] 1798 - Jan: John Davis appeared before the court and because his wife did not wish to prosecute he was discharged. On Mar. 14: his wife was to appear and show cause why she should not be allowed to commence suit against him for separate maintenance. They divorced in 01/09/1798, but could have been separated long before that. Unsure of who his wife was. Some sources say Elizabeth, others say Mary. Here are their kids: • William Davis - b 1782 married Isabella (unk) before 1818 • George Davis - 1780 and died 1825 • Abraham Davis married Mary (Unk) after 1818- Abraham and Anne Davis (unsure who Anne is), orphans of John Davis, who were over fourteen (but not yet of age) when their father died in 1812 chose John L. Lindenberger their guardian. They were probably the youngest children in the family. Family researchers believe that because of the wide distribution of the ages of the children, there must be a second wife. Considering he divorced his first wife in 01/09/1798, this is not a bad theory. • Elizabeth Davis - b. 1790 d 5/10/1813. Henry Hufford stated that he had married Elizabeth in a lawsuit filed in 1814, a daughter of John Davis, who was recently deceased, and that she had

died on May 10, 1813, after her father, but they had been promised a tract of one acre one-fourth and twenty-eight poles adjoining William Hay, and including a line crossing Cedar Run, for which he had never received a deed. The Ferguson's and George Davis were not inhabitants of Virginia at the time of the suit. In 1816 the court orders refer to all of the same heirs in a suit brought by Jesse Evans, but added Jacob Whitmore and Nancy Whitmore (father & daughter). Those suit papers have not been located, but in 1813 Henry Hufford was appointed guardian for Nancy, orphan of Jacob Whitmore. In an early case Jacob Whitmore was identified as the son-in-law of John Davis. HUSBAND - John Davis Jr* II

*WikiTree site listed John Davis JR born abt 1751 and died interstate 1812-7 Jun. died of natural causes. There were cases where his wife Mary or Elizabeth? charged John for separate maintaince and other things. Also said they divorced 9 Jan 1798 but could have been separated before that. (strange then his beloved wife Mary was listed in his estate). Their children listed as William Davis b. 1782 md Isabella ? bef 1818; George Davis 1780and died 1825; Abraham Davis md Mary ? aft 1818 (Abraham and Anne Davis(unsure who Anne is) orphans of John Davis who were over 14 but not of age when father died 1812. Chose John L. Lindenger their guardian. They were probably the youngest of the children (but there were children born before and after them). Researchers believe that because of the wide distribution of the ages of the children, there must be a second wife. Considering he divorced his first wife 9 Jan 1798, this is not a bad theory? Elizabeth Davis b. 1790 d. 10 May 1813. Henry Hufford state that he had married Elizabeth in a lawsuit filed in 1814 a dau of John Davis who was recently deceased and that she had died on May 10 1813 after her father, but they had been promised a tract of one acre one-fourth and twenty-eight poles adjoining William Hay but no deed was forth coming. (more there)

(Copy) The will also names the other children and heirs of John Davis Jr deceased. There were John Davis III, George Davis, William Davis, Larkin Johnson and his wife Polly, William Ferguson and Susannah, Spencer Lehue and wife Peggy, Charles J. Woodson and wife Caty, Jacob Harrell and wife Anne and Abram Davis.... Mary Polly Davis - after her fathers death Mary Polly (the same name as her mother in law) Davis, the widow of John Davis Jr and John P. Nye were appointed administrators of the estate. John Davis III born 1776. His wife was Mary Ann ?, John Jr died around the date his will was dated abt 7 Jun 1815. although some say 1818. Someone says believe 1818 is wrong as Mary remarried end of the year of 1815 to George Kinser and they had 5 children. Mary will inherit John's land later on she will sell it to George

Mary & John were divorced 9 Jan 1798.

One land record in Wythe Co. stated Spencer sold his share of property of John Davis (Peggy's father) in 1817.

*WikiTree site Pedigree Chart listed John 1751-1812 father John 1737-1796 and Mary Hutsell 1730-1827 and father of John, Samuel III 1703-1773 and father of Samuel Samuel Jr 1669-1738 and Abigail Read and father of Samuel Jr Samuel Davis Sr, 1639-1720 and Mary Meadows and other source listed father of Samuel Sr as Dolon Davis 1599-1673 b. Kent Co. England.

According to wills, John Davis died by 11 Aug 1812 when his will was probated in Wythe Co. VA. According to other info John Sr. had a son John Jr. who died by 1815 unmarried. According to will John's daughter Margaret received from his fathers estate as of 1 Oct 1812 and she was not married at that time but believe she md Spencer Lehue soon after. Spencer and Margaret sell their portion of John's land in Oct 1817, which shortly they started moving west, to Harrison Co. IN

Mary (Polly), Johns widow was alive in 1815 and she received a dower for husbands estate, a house lot in town of

William also listed John Davis Jr. born 1751 and died 1812. This was correct when his wife Mary or Elizabeth changed John for separate maintenance and other things. Also said they divorced 9 Jan 1798 but could have been separated before that. (Sawings from the Deed of John Davis who was listed in his estate). Their children listed as William Davis b. 1752 and Jacob 7 Oct 1816. George Davis 1780 and died 1825. Will of John Davis Jr. 17 Jun 1815 - 12 Sep 1815 listed mother, Mary Davis, brothers William and Abraham Davis.

One source said he died Abt 1812 Wythe Co. VA

Internet source by Tara Hermann Nov 2002 said he died May 1796/Sep 1797 and listed 10 children for them. (This was the first John and our John was son of first John who d. 17 Jun 1812 Wythe Co. VA.) Also stated his wife was Mary Hutsell.

One internet site: www.geocities.com/watsgw1155/davis2/pafgo1.htm (also pafgo2 & pafgo3)

Had entire 3 generations listed but can't find out who put the info on the internet, home page only listed surname and name index and so don't know who did all the work-Jul 2004)

From the book "the Lost Children of Wythe County, Virginia 1790-1878" by Mary B. Kegley pub 1995 pg 109: Abraham and Anne Davis, orphans of John Davis, deceased, upwards of age 24, chose John L. Lindemberger as their guardian.

The heirs of John Davis are listed on February 14, 1816 when Jesse Evans brought suit against them. They were John, George, William and Abraham Davis, Charles J. Woodson and his wife, Caty, who was a Davis, Spencer Lehue and his wife Peggy, who was a Davis, Jacob Harrell and his wife Anne, who was a Davis, Jacob Whitmore and his wife Nancy, who was a Davis and appers to have married second, Henry Hufford, and William Ferguson and his wife Susanna, who was a Davis (according to Wythe county Order Book p41).

These were the children listed for John Davis from different sources.

There is a plaque on the Baptist Church in Wytheville that reads: The land upon which the Wytheville Baptist Church now stands was part of the 10 acre tract donated by John Davis Esq (1750-1813) for the establishment of the town of Evansham, now Wytheville founded 1792. Upon this land was a bold spring which supplied the town with one of its main sources of water for more then 100 years. Erected in honor of the people of Wytheville by the Descendants of Minerva Ann Blair Lawson (1873-1937) great-great granddaughter of John Davis, Esq.

8 Nov 1814 John L. Lindenbarger and others were appointed to lay off the dower land for Mary in Wythe Co. VA.

CHILD 2 - Polly Davis

One source had listed she md JOHN Fannon. (so was this a correct mg- source?) This would have maybe been a first mg if at all as Larkin Johnson died after she did.

Internet site by Gene Boley listed Polly born ca 1778 Wythe Co. VA md to Larking Johnson and had 11 children, all named and some info on them. Polly died 1850 Wythe Co. VA.

CHILD 3 - George Davis

Rootsweb internet site listed Leah Lahue (LaHugh) b 1787 Wyth Co. VA d. 12 Jul 1859 Grayson Co. KY. 1850 living with son William Davis as 63 years of age with property value \$300. Dau of William Lehew and Hannah ? b in Prince William Co. VA. Possibly 7 children. George Davis info listed the children in census records. His death info and tax lists also. His parents John and Mary ? Davis as handled their estate in Wythe Co. VA. 1812. (copy)
 Nothing in Find A Grave.

His wife was listed in will of William Lahue 1811 Wythe Co. VA as Lear Davis receiving \$1.00. Nothing more on them to date.

George Davis was said to have died between 1820/1825 prob. in Grayson Co. KY. Need to check for will. Had children thru 1824 so would have been after that and before 1825 tax list time presume.

According to a letter from Ronald P. Davis of Louisville, KY dated 2 Aug 1984 George Davis was in Grayson Co. KY by 1812 as he lived there while settling the estate of his parents (John and Mary Davis of Wythville, VA). Does this mean both his parents died at same time?

*Find A Grave internet site of Margaret Davis listed birth unknown and death date 1871 burial Boley-Lahue Cem, Harrison Co. IN. Wife of Spencer LaHue.

The Boley-LaHue Family cemetery is located in the extreme southeastern corner of Jackson Twp, Harrison Co. IN, in the northwest quarter of Sec 10, Twp 3 south, range 4 east, approximately one and one half mile due south of Crandall. Have visited the cemetery myself when first started genealogy. Five or six of the children of William and Hannah Lahue of Wythe Co. VA emigrated to Harrison Co. at an early date. One of these sons was Spencer LaHue 1783-1858 married Margaret Davis and oth are buried in this cemetery. At least four of their children married into the Boley family which accounts for most of the burials in this Boley-LaHue cem. Six of Gains LaHue's 17 children died of spotted fever in Feb 1865 and are buried in this cemetery. Some of Spencer's children and grandchildren are also buried here. (copy)

BIRTH: Date from cemetery stone in the Boley-Lahue cemetery near Crandall, IN. Was born in VA, don't know what Co. Land record in Wythe Co. VA says her father was John Davis, maybe dec'd by 1812.

There was a John Davis who died 1812 in Wythe Co. VA and was md to Mary Davis who I believe were Margaret's parents. Believe Margaret had a brother George Davis who md Spencer's sister Leah Lahue and they lived in Grayson Co. KY. No proof as yet. Was also stated Margaret had brother William, Abraham & John R. who died 1815 unmarried. There was a Joseph & Anne who could be bro & sister or Uncle & Aunt, not for sure on them. Margaret was listed in will of John Davis 1812 before she was married as was mother listed also.

MARRIAGE: Was probably married in Wythe Co. VA as that is where they both were living but have not located a marriage record to date. First child b. 1813 so prob. md abt. 1812.

DEATH: The records of the administration of her estate include proof of kinship of all heirs, 1871 in Harrison Co. IN. Several of her children had died before she but their children were listed. Margaret was 85 years of age when she died. I walked the Boley Lahue cemetery in 1977 and took pictures of all the stones. The cemetery was located back in a field of a farm. Although it was fenced, it was in very bad condition. Some of the stones were hard to read and some not readable at all, some were broken as well. The farm was located a few miles from Crandall, IN.

Need to check 1810 census of Wythe Co. VA again to see if can locate John Davis or Margaret.

1817: Was said Spencer and Margaret moved to Harrison Co. IN from Wythe Co. VA in Oct. He sold his share of property to John Davis (father of Peggy) Margaret his wife, also a share of tracts on Reed Creek, which belonged to Spencer's father. Margarets father was deceased by 1812 and her brother John died by 1815 according to records so who was this John, sure wasn't her father, however it was land Margaret received from her father that they sold before moving to IN.

1820 Harrison Co. IN census: Spencer Lahue list males to 10-2 16/26-2 26/45-1 and females to 10-3 26/45-1.

John Hutsell Sr., the son of Johan George and Anna Maria Magdalena Schweinhardt Hutzel, was born on December 4, 1746, in Prince George County (now Frederick County), Maryland.

Johan, along with his brothers, George and Ludwig, migrated to the Shenandoah Valley of Virginia in the 1770's. All of the records in Virginia with the exception of his marriage and the signature on his will show his name as Johannes Hutsell and John Hutsell. The marriage and will signatures are Hutzel.

The marriage of John Hutzel and Elizabeth Davis on 10 April 1775, was found in Shenandoah County, Virginia. Elizabeth was a daughter of John Davis who apparently accompanied the Hutsells through the Shenandoah Valley to Montgomery County (now Wythe County), Virginia, prior to 1781.

Virginia.

Caty married Charles J. Woodson on 19 Jan 1809 in Wythe County,

On May 5, 1778, John Hutzel and Elizabeth, wife, of Dunmore County (now Shenandoah County), Virginia, sold one half of Lot 128 in Elizabethtown, Maryland. It is not established how John came into possession of this land, but he evidently purchased it at the time of the original Elizabethtown (now Hagerstown) plat.

By 1781, John and Elizabeth were living in Montgomery County (now Wythe County), Virginia. John is listed on the roster in Capt. James Finley's Company of the Virginia Militia in 1781.

The only land record found in Virginia for John Hutsell was when he purchased 120 acres of land on Cove Creek, Wythe County, on May 8, 1804. John and his family evidently lived on rented lands or on the property of relatives until this date. In his will, John devised his estate to his wife, Elizabeth, and after her death, the real estate was to be divided between his two sons, John and George.

John Hutsell died in Wythe county between March 28, 1820, when he wrote his will, and March 8, 1825, when the will was recorded. Elizabeth probably went to Blount County, Tennessee, with her sons. It is unknown when she died.

John and Elizabeth had four children: Catherine, Susannah, John and George H.

Johannes and Elizabeth had the following children:

- 22 F i **Catherine Hutzel** was born about 1776 in Shenandoah County, Virginia.
- 23 F ii **Susannah Hutzel** was born about 1777 in Shenandoah County, Virginia.
- 24 F iii **Susannah Hutzel** was born about 1779 in Shenandoah County, Virginia.
- 25 M iv **John Hutzel** was born in 1787 in Wythe County, Virginia. He died about 1865 in Blount County, Tennessee.

John Hutsell Jr., the son of John and Elizabeth Davis Hutsell, was born in Montgomery County (now Wythe County), Virginia, about 1787. He was married in Wythe County on March 15, 1809 to Mary Ann (Polly) Keller. Mary Ann was born about 1790 in Virginia.

On December 2, 1813, John Hutsell and his brother, George, purchased 300 acres of land in Wythe County. The land is described as extending to the top of Cove Mountain and adjoining the lands of John Hutsell. On October 16, 1826, John Hutsell, his wife, Mary Ann, George Hutsell, and Eliza Ann Hutsell sold this 300 acres of land along with 120 acres in Wythe County which they had inherited from their father, John Hutsell.

John and Mary Ann left Wythe County and settled in Blount County, Tennessee, between July 1827 when their son, John Keller Hutsell, was born and 1830 when the Blount County census was taken. John, however, had purchased land in Blount County shortly after his land in Wythe County was sold.

On November 13, 1826, John purchased his land in Blount County, Tennessee. The land is described as being a tract of 175 acres on the east fork of Pistol Creek. On November 5, 1856, John deeded his land to two of his sons, George and Jacob, with conditions whereby the two sons were to provide certain necessities for John and his wife as long as they lived.

Early Adventurers in the Town of Evansham, Volume IV, by Mary B Kegley, 1998, page 108 - Joseph Davis is probably the son of John Davis Sr and is often identified as Joseph Davis Sr in the records. His first purchase of lots in town was in 1813 when he obtained lots 69 and 70 from Lewis Hutzell and wife, Eve. In 1815 when the tax assessments were made, in addition to a farm on Reed Creek and acreage on Lick Mountain, Joseph Davis had 2 lots in Evansham on the north side of Main Street, 1/2 acre each, with a dwelling house of 2 stories, 24 feet by 18 feet, a kitchen, on one of them, the other lot being unimproved. The lots were valued at \$800. In 1816 he bought lot 71 from Abraham Ryno and wife, Catherine. The lots were on the northwest side of Main Street, being the three lots west of present 11th Street. In 1821 following a suit, Harold Smyth made a deed to Davis for lot 55 in the town and in 1823, Joseph obtained the release in lot 55 from the widow, Susannah Reddick, who was then the wife of Hugh Wilson. This lot was located on the south side of Main Street, the 2nd lot west of present 7th Street (Wythe County Deed Book 6, pp 10-11, Book 7 p 41, Book 8 pp 320-321, Book 9 p 396 (Kegley, Tax Assessments, p 120). In 1821 Joseph Davis, identified as Senior, put a deed of trust on the three lots on the north side of the street. One of them was in possession of John J Woolford. In 1828 another deed of trust was put on the same lots as well as 307 acres on Reed Creek. In 1825 and again in 1828 he put a deed of trust on lot 55 and his lot in Mt Airy. In each instance the reason was debts owed to Henry Hoppess Jr, James Ward, John Ward, the administrator of James Ward, deceased, and Leonard Straw. In 1830 another deed of trust was placed on a house and lot on the north side of Main street where John Seavers lived, but no number was given. In 1835 Davis sold lot 71 to Martin Kegley for \$400. In 1838 lots 69 and 70 were also sold to Martin Kegley (Wythe County Deed Book 9 p 102, Book 10 p 1856, Book 11 pp 21, 112, 536, Book 13 pp 130, 795). 1820 Census of Grayson County, Kentucky, page 135.

George Davis is shown in the 1815 Grayson County tax list and on the 1819 tax list. This 1819 list showed George Davis with 212 acres on Cave Creek. George appeared on page 135 of the 1820 Grayson County census as follows: 2m 0-10; 1m 18-26 and 1m 26-45; with 3f 0-10 and 1f 26-45. Since Leah Davis was shown on the 1825 tax list, it is probable that George died between 1820 and 1825. According to a letter from Ronald P. Davis of Louisville, KY dated August 2, 1984, George Davis was in Grayson County, KY "by 1812, as he lived there while settling the estate of his parents (John and Mary Davis of Wytheville, VA)."

In 1818, Spencer Lahugh "bought property from Cornelius "Lahugh" of Harrison County, Indiana. A further evidence of Wythe County connections is an 1835 deed between Spencer "Lahew" and Cornelius "Lahew" of Harrison County, Indiana, and Isaac "Lahew" of Wythe County, Virginia.

1850 census of Harrison County, Indiana, page 311.

Elizabeth and their minor children resided in Crawford County, Indiana in 1860 when the Harrison County Court appointed John Riley as guardian of the minor children. Elizabeth applied for a dependent mothers pension in 1883, based on her son Isaac's service in the Union Army (Isaac died in 1868 of disease contracted in or caused by hardships of army Service). On her application, Elizabeth stated that her husband had left her and the children a farm of 117-1/2 acres of badly worn and poor land. She and the children had remained on the land, working it the best they could and in winter she had "spun yarn", quilted and sewed, etc., barely managing to get along, especially while three of her sons were in the army. After the war, she had sold her interest in the farm and in 1877 had moved from Leavenworth in Crawford County, to Parke County, Indiana, where in 1883 she owned a little over two acres.

HUSBAND - George Davis

Rootsweb internet site listed Leah Lahue (LaHugh) b 1787 Wyth Co. VA d. 12 Jul 1859 Grayson Co. KY. 1850 living with son William Davis as 63 years of age with property value \$300. Dau of William Lehew and Hannah ? b in Prince William Co. VA. Possibly 7 children. George Davis info listed the children in census records. His death info and tax lists also. His parents John and Mary ? Davis as handled their estate in Wythe Co. VA. 1812. (copy)
Nothing in Find A Grave.

His wife was listed in will of William Lahue 1811 Wythe Co. VA as Lear Davis receiving \$1.00. Nothing more on them to date.

George Davis was said to have died between 1820/1825 prob. in Grayson Co. KY. Need to check for will. Had children thru 1824 so would have been after that and before 1825 tax list time presume.

According to a letter from Ronald P. Davis of Louisville, KY dated 2 Aug 1984 George Davis was in Grayson Co. KY by 1812 as he lived there while settling the estate of his parents (John and Mary Davis of Wythville, VA). Does this mean both his parents died at same time?

WIFE - Leah (Lear?) Lahue

Could her name be Leah? She was listed as Lear Davis in will of father, William Lahue 1811 Wythe Co. VA, as daughter.

Info from internet WorldConnect site listed her birth as 1787 Wythe Co. VA and death as 1859 Grayson Co KY along with info on husband and their children. I checked several census records and located them also. She was listed as having 7 children. The site was listed by Debi Young "dest237@home.com" and had quite a lot written about husband George Davis. More work needs to be done on this line but Debi has done some and believes she has some info on their children to start. (copy)

George Davis parents listed as John Davis who d. 1812 Wythe Co. VA and Mary Davis. Believe brother to Margaret Davis who md Spencer Lahue?

Grayson Co KY Deaths: Leah Davis died a widow at the age of 65 on 12 Jul 1859 of unknown cause. She was named as the d/o William Lahugh. Her place of birth was given in this record as "With Co. VA" Which would actually have been Wythe Co. VA. Age prob. wrong also as she was 63 in 1850 and by 1859 she would have been 72 which have made her birth date as 1787 which is closer to believe her actual birth date. 1794 would be too late for her birth and also md before 1811

HUSBAND - John Davis Jr* II

*WikiTree site listed John Davis JR born abt 1751 and died interstate 1812-7 Jun. died of natural causes. There were cases where his wife Mary or Elizabeth? charged John for separante maintaince and other things. Also said they divorced 9 Jan 1798 but could have been separated before that. (strange then his beloved wife Mary was listed in his estate). Their children listed as William Davis b. 1782 md Isabella ? bef 1818; George Davis 1780and died 1825; Abraham Davis md Mary ? aft 1818 (Abraham and Anne Davis(unsure who Anne is) orphans of John Davis who were over 14 but not of age when father died 1812. Chose John L. Lindenberger their guardian. They were probably the youngest of the children (but there were children born before and after them). Researchers believe that because of the wide distribution of the ages of the children, there must be a second wife. Considering he divorced his first wife 9 Jan 1798, this is not a bad theory? Elizabeth Davis b. 1790 d. 10 May 1813. Henry Hufford state that he had married Elizabeth in a lawsuite filed in 1814 a dau of John Davis who was recently deceased and that she had died on May 10 1813 after her father, but they had beren promised a tract of one acre one-fourth and twenty-eight poles adjoining William Hay but no deed was forth coming. Will of John Davis Jr. 17 Jun 1812 - 12 Sep 1812 listed mother, Mary Davis, brothers William and Abraham Davis.	
One source said he died 1812 Wythe Co. VA. Internet source by Tara Hermann Nov 2002 said he died May 1796/2 Sep 1797 and listed 10 children for them. (This was the first John and our John was son of first John who d. 17 Jun 1812 Wythe Co. VA.) Also stated his wife was Mary (Polly).	
One internet site: www.geocities.com/wytwg1125/davis2/polly1.htm (also pg405 & pg407) Had entire 3 generations listed but can't find out who put the info on the internet, home page only listed surnames and name index and so don't know who did all the work (Jul 2004)	
From the book: "The Last Children of Wythe County, Virginia 1790-1878" by Mary B. Kessler pub 1997 pg 109: Abraham and Anne Davis, nephews of John Davis, deceased, upwards of age 24, cross John L. Lindberger as their guardian.	
The heirs of John Davis are listed on February 14, 1812 when Jesse Davis brought suit against them. They were John, George, William and Abraham Davis, Charles J. Woodson and his wife, Cary, who was a Davis, Spencer, Leland and his wife Peggy, who was a Davis, Jacob Havel and his wife Anne, who was a Davis, Jacob Whitmore and his wife Nancy, who was a Davis and seems to have married second, Henry Huford, and William Ferguson and his wife Susan, who was a Davis (according to Wythe County Court Book 941).	
These were the children listed for John Davis from different sources:	
Book "Wythe County, Virginia Will Book 2", pg 40 Pg 48 Account of Personal Sales of John Davis, dec'd October 1, 1812 buyers: Polly Davis, William Davis, Peggie Davis, Anne Davis, Lucretia Ferguson, Abraham Davis, John Johnston, Joseph Evans, Bladen Huford, Nigha Kessler, Jacob Hoback, Betsy Haymon, Richard Gilmore, Christopher Cary, Dennis Green, X-sep Davis, John B. Rye, John Leedy, Joseph Crockett, Thomas Avery, Peter Linder, William Weaver, William Hoback, George Kinner, Miriam Croiss, Joseph Croiss, Jesse Cox, Andrew Hunsell, Thomas Williams.	
Recorded: April 12, 1812 Adam, John B. Wm, Polly Davis	
Tested: Jacob T. Fairbank, JC	
Another listed a little different for John & Mary Davis: George, Abraham, Joseph, John, Betsy, Eve, Bernard, Polly Bladen, Jacob Davis. (10)	
Another listed for John and Mary Davis Sr.	
Appears some source have little different info on these families.

*Find A Grave internet site of Margaret Davis listed birth unknown and death date 1871 burial Boley-Lahue Cem, Harrison Co. IN. Wife of Spencer LaHue.

The Boley-LaHue Family cemetery is located in the extreme southeastern corner of Jackson Twp, Harrison Co. IN, in the northwest quarter of Sec 10, Twp 3 south, range 4 east, approximately one and one half mile due south of Crandall. Have visited the cemetery myself when first started genealogy. Five or six of the children of William and Hannah Lahue of Wythe Co. VA emigrated to Harrison Co. at an early date. One of these sons was Spencer LaHue 1783-1858 married Margaret Davis and oth are buried in this cemetery. At least four of their children married into the Boley family which accounts for most of the burials in this Boley-LaHue cem. Six of Gains LaHue's 17 children died of spotted fever in Feb 1865 and are buried in this cemetery. Some of Spencer's children and grandchildren are also buried here. (copy)

BIRTH: Date from cemetery stone in the Boley-Lahue cemetery near Crandall, IN. Was born in VA, don't know what Co. Land record in Wythe Co. VA says her father was John Davis, maybe dec'd by 1812.

There was a John Davis who died 1812 in Wythe Co. VA and was md to Mary Davis who I believe were Margaret's parents. Believe Margaret had a brother George Davis who md Spencer's sister Leah Lahue and they lived in Grayson Co. KY. No proof as yet. Was also stated Margaret had brother William, Abraham & John R. who died 1815 unmarried. There was a Joseph & Anne who could be bro & sister or Uncle & Aunt, not for sure on them. Margaret was listed in will of John Davis 1812 before she was married as was mother listed also.

MARRIAGE: Was probably married in Wythe Co. VA as that is where they both were living but have not located a marriage record to date. First child b. 1813 so prob. md abt. 1812.

DEATH: The records of the administration of her estate include proof of kinship of all heirs, 1871 in Harrison Co. IN. Several of her children had died before she but their children were listed. Margaret was 85 years of age when she died. I walked the Boley Lahue cemetery in 1977 and took pictures of all the stones. The cemetery was located back in a field of a farm. Although it was fenced, it was in very bad condition. Some of the stones were hard to read and some not readable at all, some were broken as well. The farm was located a few miles from Crandall, IN.

Need to check 1810 census of Wythe Co. VA again to see if can locate John Davis or Margaret.

1817: Was said Spencer and Margaret moved to Harrison Co. IN from Wythe Co. VA in Oct. He sold his share of property to John Davis (father of Peggy) Margaret his wife, also a share of tracts on Reed Creek, which belonged to Spencer's father. Margaret's father was deceased by 1812 and her brother John died by 1815 according to records so who was this John, sure wasn't her father, however it was land Margaret received from her father that they sold before moving to IN.

HUSBAND - Spencer Lahue *

*Find A Grave internet site listed spencer birth and death date age 75 and places. Spouse Margaret Davis d. 1871, 6 children of 9 listed with dates. (copy)

BIRTH: Date from cemetery stone in the Boley-Lahue cemetery near Crandall, IN. Was born in what is now Shenandoah Co. VA. Believe land had been in Frederick Co. before Shenandoah Co. was formed 1772.

MARRIAGE: Was probably married in Wythe Co. VA as that is where they both were living but have not located a marriage record to date. First child b. 1813 so prob. md abt. 1812.

DEATH: Spencer was believed to have died interstate, according to papers of William Blankenbaker, son in law, administrator of estate, Harrison Co. IN. His 9 children were listed. Don't know if he had more or not. Date was listed 28 Aug 1858 as his death

Birth dates of Jackson and Evelina according to Find A Grave are too close so not sure but these were the dates on their records.

I walked the Boley Lahue cemetery in 1977 and took pictures of all the stones. The cemetery was located back in a field of a farm. Although it was fenced, it was in very bad condition. Some of the stones were hard to read and some not readable at all, some were broken as well. The farm was located a few miles from Crandall, IN. Directions to the cemetery from the cemetery book stated it was located in the extreme southeastern corner of Jackson Twp, in the northwest quarter of Sec 10, Twp 3 South, Range 4 east and approx 1 1/2 miles due south of Crandall, IN.

Believe Spencer was still in his fathers household in 1810 census of Wythe Co. VA as there were two males age 16/26 with father. If born 1783 would have been 27, although if taken before Oct he would have been 26.

1811 Wythe Co. VA Spencer and brother Cornelius Lahue were appointed executors of estate of father, William.

1817: Was said Spencer and Margaret moved to Harrison Co. IN from Wythe Co. VA in Oct. He sold his share of property to John Davis (father of Peggy) Margaret his wife, also a share of tracts on Reed Creek, which belonged to Spencer's father.

1818: Spencer bought land from Cornelius Lahough in Harrison Co. IN. (Prob. his brother).

1820 Harrison Co. IN census: Spencer Lahue list males to 10-2 16/26-2 26/45-1 and females to 10-3 26/45-1.

1830 Harrison Co., Harrison Twp. IN census: Spencer Lahue list males 5/10-1 10/15-1 15/20-1 40/50-1 and females to 5-2 5/10-1 10/15-2 15/20-1 40/50-2. (one was his wife, who was the father?).

1835 Harrison Co. IN a Deed between Spencer Lahew and Cornelius Lahew of the Co of Harrison, IN and Isaac Lahew of Wythe Co. VA shows connections between the three, prob. brothers.

1840 Harrison Co. IN census: Spencer Lahue list males 10/15-1 20/30-1 50/60-1 and females 10/15-2 15/20-1 50/60-2.

1850 Harrison Co. IN pg 311 #397/397: Spencer Lahue 68 Va, Margaret 57 VA, J.H. 25m IN, Dartula 12 IN, Mary F. Mathis 14 (Believe Dartula is granddaughter)

1830 Harrison Co. IN pg 311 #597/397: Spencer Laine 68 m, Margaret 57 VA, J.H. 25m IN, Darbula 12 IN, Mary F. 60-2.

1840 Harrison Co. IN census: Spencer Laine b/m 10/12-1 20/10-1 50/80-1 and female 10/12-5 12/20-1 50/80-2.

1852 Harrison Co. IN a field between Spencer Laine and Cornelius Laine of the Co of Harrison, IN and Isaac Laine of Wythe Co. VA shows connections between the three, prob. brothers.

1850 Harrison Co. Harrison Twp. IN census: Spencer Laine b/m 2/10-1 10/12-1 15/20-1 and female 2-1 2/10-1 10/12-5 12/20-1 40/20-2. (one was his wife, who was the father?)

1850 Harrison Co. IN census: Spencer Laine b/m 10-5 18/26-5 26/42-1 and female 10-3 26/42-1.

1818: Spencer bought land from Cornelius Laine in Harrison Co. IN. (prob. his brother).

1817: Was said Spencer and Margaret moved to Harrison Co. IN from Wythe Co. VA in Oct. He sold his share of property to John Davis (father of Peggy) Margaret his wife, also a share of plots on Reed Creek, which belonged to Spencer's father.

1811 Wythe Co. VA: Spencer and brother Cornelius Laine were appointed executor of estate of father, William.

Believe Spencer was still in his father's household in 1810 census of Wythe Co. VA so there were two males age 16/26 with father. If born 1783 would have been 27, although if taken before Oct he would have been 26.

NEED TO CHECK LAND RECORDS IN HARRISON CO. IN

Internt site: www.geocitis.com/watsgw1155/davis2/pafg03.htm listed some info on Spencer and Margaret Davis Lahue.

Left Wyth Co. VA for Harrison Co. IN after 14 Oct 1817 when they sold their share of the property of which John Davis died seized and also their share of the tracts on Reed Creek which had belonged to William LeHue, Spencers father. In 1818 Spencer Lahugh bought property from Cornelius Lahugh of Harrison Co. IN. Further evidence of Wythe Co cennecitosn is an 1835 deed between Spencer Lahew and Cornelius Lahew of Harrison Co. IN and Isaac Lahew of Wythe Co. VA.
(you will notice many different

spellings of Lahue)

WIFE - Margaret (Peggy) Davis *

*Find A Grave internet site of Margaret Davis listed birth unknown and death date 1871 burial Boley-Lahue Cem, Harrison Co. IN. Wife of Spencer LaHue.

The Boley-LaHue Family cemetery is located in the extreme southeastern corner of Jackson Twp, Harrison Co. IN, in the northwest quarter of Sec 10, Twp 3 south, range 4 east, approximately one and one half mile due south of Crandall. Have visited the cemetery myself when first started genealogy. Five or six of the children of William and Hannah Lahue of Wythe Co. VA emigrated to Harrison Co. at an early date. One of these sons was Spencer LaHue 1783-1858 married Margaret Davis and oth are buried in this cemetery. At least four of their children married into the Boley family which accounts for most of the burials in this Boley-LaHue cem. Six of Gains LaHue's 17 children died of spotted fever in Feb 1865 and are buried in this cemetery. Some of Spencer's children and grandchildren are also buried here. (copy)

BIRTH: Date from cemetery stone in the Boley-Lahue cemetery near Crandall, IN. Was born in VA, don't know what Co. Land record in Wythe Co. VA says her father was John Davis, maybe dec'd by 1812.

There was a John Davis who died 1812 in Wythe Co. VA and was md to Mary Davis who I believe were Margaret's parents. Believe Margaret had a brother George Davis who md Spencer's sister Leah Lahue and they lived in Grayson Co. KY. No proof as yet. Was also stated Margaret had brother William, Abraham & John R. who died 1815 unmarried. There was a Joseph & Anne who could be bro & sister or Uncle & Aunt, not for sure on them. Margaret was listed in will of John Davis 1812 before she was married as was mother listed also.

MARRIAGE: Was probably married in Wythe Co. VA as that is where they both were living but have not located a marriage record to date. First child b. 1813 so prob. md abt. 1812.

DEATH: The records of the administration of her estate include proof of kinship of all heirs, 1871 in Harrison Co. IN. Several of her children had died before she but their children were listed. Margaret was 85 years of age when she died. I walked the Boley Lahue cemetery in 1977 and took pictures of all the stones. The cemetery was located back in a field of a farm. Although it was fenced, it was in very bad condition. Some of the stones were hard to read and some not readable at all, some were broken as well. The farm was located a few miles from Crandall, IN.

Need to check 1810 census of Wythe Co. VA again to see if can locate John Davis or Margaret.

1817: Was said Spencer and Margaret moved to Harrison Co. IN from Wythe Co. VA in Oct. He sold his share of property to John Davis (father of Peggy) Margaret his wife, also a share of tracts on Reed Creek, which belonged to Spencer's father. Margarets father was deceased by 1812 and her brother John died by 1815 according to records so who was this John, sure wasn't her father, however it was land Margaret received from her father that they sold before moving to IN.

1820 Harrison Co. IN census: Spencer Lahue list males to 10-2 16/26-2 26/45-1 and females to 10-3 26/45-1.

1830 Harrison Co., Harrison Twp. IN census: Spencer Lahue list males 5/10-1 10/15-1 15/20-1 40/50-1 and females to 5-2 5/10-1 10/15-2 15/20-1 40/50-2. (one was his wife, who was the other?).

1840 Harrison Co. IN census: Spencer Lahue list males 10/15-1 20/30-1 50/60-1 and females 10/15-2 15/20-1 50/60-2.

Some info from Mrs Dunlap, St Louis 1973 and also The Lahue Book pg 62-3. James was listed as a son of Spencer Lahue on the list of heirs submitted to the court in Harrison Co. IN in 1860. He was also listed as son and heir to his mother, Margaret's estate in 1871-2.

James and Christena were residents of Atchison Co. MO in 1860 when they sold their interest in land in Harrison Co. IN inherited from Spencer Lahue. According to a history of Atchison Co. Mo published in 1905, they had moved to Atchison Co. about 1851. There they had bought 160 acres of land which they had added to until in 1905 when James owned a 310 acre farm and had also given 320 acres to the children.

James served in the Mexican War in 1846 and 1847 and also six months in the Civil War. (According to his obituary).

He married 19 Dec 1849 in Harrison Co.,IN before he moved to MO and had 4 known children. (According to his obituary). Wifes obituary listed marriage date as 19 Dec 1850 which would be closer to right as still listed with parents in 1850 census.

Notes	CHILD 7 - James Harvey Lahue (Continued) OBITUARY: Located Columbia, MO State HIsTorical Libr, May 2001: From Atchison County Mail, Rock Port, MO 22 Mar 1907 p5 c3: "Veteran of Two Wars Was Jas. H. La Hue---Taps Sounded for Him on the 18th Instant.--- A Pioneer And Useful Citizen--- Events of Twenty-five, Fifteen and Ten Years Ago This Week--- LA HUE---Boom Aug. 28, 1825, ; died March 18, 1907, James H. LaHue, aged 81 years, 6 months and 10 days. Funeral services were held at the home of Geo. LaHue on March 20th, conducted by Elder D. M. Phillippi. The remains were interred at Hunter cemetery, the Masonic lodge of Rock Port officiating. --- James Harvey LaHue was born in Harrison county, Indiana, the son of Spencer and Margaret LaHue and the seventh of nine children. His father was a Frenchman, his mother a German. He was with his parents until in his twenty-fifth year, when he came to Atchison county, Missouri, and bought 160 acres of what is now the LaHue homestead in Benton township, which he owned at the time of his death. It is a fine farm of 310 acres, well improved. He had also divided 320 acres of land among his children. --- On Dec, 19, 1849, Mr LaHue was united in marriage with Miss Christina Fleshman, a native of Harrison county, Indiana. She died on Jan. 17, 1900.(actually 1901-GLT) To Mr and Mrs LaHue were born four children, namely: George, William, Edmond and Clara, wife of W.C. Taylor. --- Mr LaHuehad been a member of the Masonic lodge at Rock Port about forty-five years. In politics he was a staunch Republican. He was, we believe, the last veteran of the Mexican war living in Atchison county. He enlisted on May 15, 1846, and was mustered out in 1847. He was of the 2nd Indiana Reg. and participated in several important battles, among them being that of Beuna Vista. He also served six months in the Civil Sar, George Steck being Captain of the company in which he enlisted. He was a member of James Kames Post, G.A.R. of Rock Port. --- Thus we not the passing of another hardy pioneer and a patriotic, useful citizen. he will long live in the memory of his neighbors and friends." Checked for article on Golden Anniversery but they didn't have papers from 14 Dec thru 4 Jan. An article which was at the conclusion of his son George Washington Lahue's obituary dated 5 Sep 1930 had much on James Harvey Lahue and family, about coming to MO. George accompanied his father and mother in their slow trek by wagon across Illinois into the sparsely settled country of Iowa and Northern Missouri in the fall of 1858. His father (James H.) had come to Atchison county in 1848, having obtained a government grant of 160 acres in the Platte Purchase, following a period of service in the army during the Mexican War. Returning to Indiana, he married and ten years later again set out for Missouri. This grant was located in Section 28, township 64, range 42;, which at that time was only about a mile and half from the Missouri River. Today only about half of this quarter section of land is left, the remainder having been claimed by the shifting waters of the Big Muddy. Since the family had arrived late in the fall, no cleared land was available on which to plant crops in the spring of 1859, so the veteran was forced to buy an additional 80 acres of land, paying \$800 for it. On this land was situated a little shack, and by building a one room addition, it was made to serve as a rude home for the family of six. Cottonwood timber was plentiful and the elder LaHue made plans to build a better home for his family, but the outbreak of the Civil War, rendered such an improvement impracticable. --- Already a verteran of one conflicy, James LaHue served as a state militiaman during the War of the Rebellion, but without seeing active service. It was well, for those at home were subjected to the threat of violence from roving bands of lawless men. As there were a considerable number of southern people living in the county, a company of volunteers was organized to fight for the Confederacy. --- After the war those Southerners who did not desire to return to their own homes, sold their land through friends, at almost any price, some land, Mr LaHue said, selling for less then one dollar an acre. --- Old Mr Lahue recalled an incident which occurred before the Southern sympathizers had been entirely driven from the county, which is indicative of the spirit and feeling of the time --- In 1863, when son George was 10 years old, one day he hoisted the Stars and Stripes on a pole in froun of his house. A cavalcade of Southernns riding by witnessed the unfurling of the flag and riding up with full speed, demanded that it be hauled down. Old Mr Lahue being absent, young LaHue did not have the temerity to refuse. He lowered the flag, but the Southernns made no attempt to harm either the flag or the boy and the unwanted visitors road off at once. --- Families were almost entirely sefl-supporting. Coffee and tea were not to be hadn, so roasted wheat coffee was served, as a substitute. Cornbread was served three times a day and wihte bread was practically unknown, except when company came and biscuits, made from flour ground at home, appeared. --- At one time Mr LaHue (George) related, his father butchered three hogs, cut off their heads and feet, and hauled them to Nebraksa City, where he sold them for three cents a pound. Each family had its own flock of sheep, for which came the woold for the homespun clothing which was universally worn in the West during and immediately after the war. Son George was 20 year old before he possessed a ready-made suit of clothes.(which would have be 1872). Each farm had a clothing establishment all its own. --- Much of the trading in the sixties was done by the most primitive of trading methods - barter. --- Whenever the yield of corn or wheat exceeded the demands of family or neighbor, the grain was sacked and hauled to the banks of the Missouri, where it would be picked up by steamboats and carried to St. Louis for sale or exchange. --- After the advent of the railroad the driving of stock out of the county to market practically ceased, and local butchering began to be practiced by the settlers. George pointed out a weather-beaten building near the house. "That building, sixteen by eighteen feet was built by my father (James) in 1868. One winter we butchered 160 hogs weighing on an average of 250 pounds each, salted the meat and stored it in that building. Mixed with dirt, part of which could not be removed for lack of necessary machinery, the grain was then taken to the mill where it was ground into flour, dirt and all. With a wry smile George remarked how the biscuits made from such flour would be black and hard almost beyond the comprehension of one who had never seen the bread." This was certainly a great detail of their lifestyle during this time period. Most people wouldn't know that. -GLT 1830 Harrison Co. wife of Spencer

INFO from the census of this cemetery taken 1940's by Frederick Porter Griffin and Samuel Pfrimmer Hays:

The Boley-LaHue Family Cemetery is located in the extreme southeastern corner of Jackson Township, Harrison County, Indiana -- in the northwest quarter of Section 10, Township 3 south, Range 4 east -- this is approximately one and one-half mile due south of Crandall.

Five or six of the children of William and Hannah LaHue of Wythe County, Virginia emigrated to Harrison County at an early date. One of these sons, Spencer LaHue (1783-1858) married Margaret Davis and both of these LaHue's are buried in this cemetery. At least four of Spencer LaHue's children married into the Boley family which accounts for most of the burials in this Boley-LaHue cemetery. Six of Gains LaHue's seventeen children died of spotted fever in February 1864 and are buried in this cemetery.

Notes

HUSBAND - Spencer Lahue *

BIRTH: Date from cemetery stone in the Boley-Lahue cemetery near Crandall, IN. Was born in what is now Shenandoah Co. VA. Believe land had been in Frederick Co. before Shenandoah Co. was formed 1772.

MARRIAGE: Was probably married in Wythe Co. VA as that is where they both were living but have not located a marriage record to date. First child b. 1813 so prob. md abt. 1812.

DEATH: Spencer was believed to have died interstate, according to papers of William Blankenbaker, son in law, administrator of estate, Harrison Co. IN. His 9 children were listed. Don't know if he had more or not. Date was listed 28 Aug 1858 as his death

Birth dates of Jackson and Evelina according to Find A Grave are too close so not sure but these were the dates on their records.

I walked the Boley Lahue cemetery in 1977 and took pictures of all the stones. The cemetery was located back in a field of a farm. Although it was fenced, it was in very bad condition. Some of the stones were hard to read and some not readable at all, some were broken as well. The farm was located a few miles from Crandall, IN. Directions to the cemetery from the cemetery book stated it was located in the extreme southeastern corner of Jackson Twp, in the northwest quarter of Sec 10, Twp 3 South, Range 4 east and approx 1 1/2 miles due south of Crandall, IN.

Believe Spencer was still in his fathers household in 1810 census of Wythe Co. VA as there were two males age 16/26 with father. If born 1783 would have been 27, although if taken before Oct he would have been 26.

1811 Wythe Co. VA Spencer and brother Cornelius Lahue were appointed executors of estate of father, William.

1817: Was said Spencer and Margaret moved to Harrison Co. IN from Wythe Co. VA in Oct. He sold his share of property to John Davis (father of Peggy) Margaret his wife, also a share of tracts on Reed Creek, which belonged to Spencer's father.

1818: Spencer bought land from Cornelius Lahough in Harrison Co. IN. (Prob. his brother).

1820 Harrison Co. IN census: Spencer Lahue list males to 10-2 16/26-2 26/45-1 and females to 10-3 26/45-1.

1830 Harrison Co., Harrison Twp. IN census: Spencer Lahue list males 5/10-1 10/15-1 15/20-1 40/50-1 and females to 5-2 5/10-1 10/15-2 15/20-1 40/50-2. (one was his wife, who was the father?).

1835 Harrison Co. IN a Deed between Spencer Lahew and Cornelius Lahew of the Co of Harrison, IN and Isaac Lahew of Wythe Co. VA shows connections between the three, prob. brothers.

1840 Harrison Co. IN census: Spencer Lahue list males 10/15-1 20/30-1 50/60-1 and females 10/15-2 15/20-1 50/60-2.

1850 Harrison Co. IN pg 311 #397/397: Spencer Lahue 68 Va, Margaret 57 VA, J.H. 25m IN, Darthula 12 IN, Mary F. Mathis 14 (Believe Darthula is granddaughter)

1817: We said Spencer and Margaret moved to Harrison Co. IN from Wythe Co. VA in Oct. He sold his share of property to John Davis (father of Peggy) Margaret his wife, also a share of lands on Reed Creek, which belonged to Spencer's father.

1811 Wythe Co. VA: Spencer and brother Cornelius Laine were appointed executors of estate of father, William.

Believe Spencer was sold at his father's house in 1810 census of Wythe Co. VA as there were two males age 18/20 with father. If born 1783 would have been 27, although if taken before Oct. he would have been 26.

1 walked the Boley Laine cemetery in 1937 and took pictures of all the stones. The cemetery was located back in a field of a farm. Although it was fenced, it was in very bad condition. Some of the stones were hard to read and some not readable at all, stones were broken as well. The farm was located a few miles from Candell, IN. Directions to the cemetery from the county book stated it was located in the extreme southeast corner of Jackson Twp. in the northwest quarter of Sec. 16, Twp. 3 South, Range 4 East and spans 1 1/2 miles due south of Candell, IN.

Notes	CHILD 7 - James Harvey Lahue (Continued) Checked for article on Golden Anniversary but they didn't have papers from 14 Dec thru 4 Jan. An article which was at the conclusion of his son George Washington Lahue's obituary dated 5 Sep 1930 had much on James Harvey Lahue and family, about coming to MO. George accompanied his father and mother in their slow trek by wagon across Illinois into the sparsely settled country of Iowa and Northern Missouri in the fall of 1858. His father (James H.) had come to Atchison county in 1848, having obtained a government grant of 160 acres in the Platte Purchase, following a period of service in the army during the Mexican War. Returning to Indiana, he married and ten years later again set out for Missouri. This grant was located in Section 28, township 64, range 42,, which at that time was only about a mile and half from the Missouri River. Today only about half of this quarter section of land is left, the remainder having been claimed by the shifting waters of the Big Muddy. Since the family had arrived late in the fall, no cleared land was available on which to plant crops in the spring of 1859, so the veteran was forced to buy an additional 80 acres of land, paying \$800 for it. On this land was situated a little shack, and by building a one room addition, it was made to serve as a rude home for the family of six. Cottonwood timber was plentiful and the elder LaHue made plans to build a better home for his family, but the outbreak of the Civil War, rendered such an improvement impracticable. --- Already a veteran of one conflict, James LaHue served as a state militiaman during the War of the Rebellion, but without seeing active service. It was well, for those at home were subjected to the threat of violence from roving bands of lawless men. As there were a considerable number of southern people living in the county, a company of volunteers was organized to fight for the Confederacy. --- After the war those Southerners who did not desire to return to their own homes, sold their land through friends, at almost any price, some land, Mr LaHue said, selling for less than one dollar an acre. --- Old Mr Lahue recalled an incident which occurred before the Southern sympathizers had been entirely driven from the county, which is indicative of the spirit and feeling of the time --- In 1863, when son George was 10 years old, one day he hoisted the Stars and Stripes on a pole in front of his house. A cavalcade of Southerners riding by witnessed the unfurling of the flag and riding up with full speed, demanded that it be hauled down. Old Mr Lahue being absent, young LaHue did not have the temerity to refuse. He lowered the flag, but the Southerners made no attempt to harm either the flag or the boy and the unwanted visitors rode off at once. --- Families were almost entirely self-supporting. Coffee and tea were not to be had, so roasted wheat coffee was served, as a substitute. Cornbread was served three times a day and white bread was practically unknown, except when company came and biscuits, made from flour ground at home, appeared. --- At one time Mr LaHue (George) related, his father butchered three hogs, cut off their heads and feet, and hauled them to Nebraska City, where he sold them for three cents a pound. Each family had its own flock of sheep, for which came the wool for the homespun clothing which was universally worn in the West during and immediately after the war. Son George was 20 years old before he possessed a ready-made suit of clothes.(which would have been 1872). Each farm had a clothing establishment all its own. --- Much of the trading in the sixties was done by the most primitive of trading methods - barter. --- Whenever the yield of corn or wheat exceeded the demands of family or neighbor, the grain was sacked and hauled to the banks of the Missouri, where it would be picked up by steamboats and carried to St. Louis for sale or exchange. --- After the advent of the railroad the driving of stock out of the county to market practically ceased, and local butchering began to be practiced by the settlers. George pointed out a weather-beaten building near the house. "That building, sixteen by eighteen feet was built by my father (James) in 1868. One winter we butchered 160 hogs weighing on an average of 250 pounds each, salted the meat and stored it in that building. The quality was so great that it filled the place to the rafters, twelve feet above the floor. In the spring the bacon was sold to local buyers who shipped the meat to St. Joseph" This was the customary procedure of the LaHue family during the seventies. --- George said that as a boy he was often placed on a horse and for hours he would ride the animal around the circumference of a circle formed of wheat bundles, beating out the grain with the horse's hoofs. Mixed with dirt, part of which could not be removed for lack of necessary machinery, the grain was then taken to the mill where it was ground into flour, dirt and all. With a wry smile George remarked how the biscuits made from such flour would be black and hard almost beyond the comprehension of one who had never seen the bread." This was certainly a great detail of their lifestyle during this time period. Most people wouldn't know that. -GLT 1830 Harrison Co. HUSBAND - Henry Hufford *Family Search listed his 2 marriages, his parents and grandparents. Both Spouses and all children of Henry and Margaret, none by Elizabeth. (copy) Maybe 1st mg to Elizabeth Davis and she was said to have died 1813 but she was still living in mothers estate of 1816 md to Henry Hufford at that time. Fathers will listed her as wife of Jacob Whitmore. 2nd mg to Margaret Whitman 20 Dec 1815 but no marriage of either has been located. Not sure this mg date is correct. Early Adventurers in the Town of Evansham, Vol IV, by Mary B. Kegley pub 1998 pages 177-178: Henry Huffard (also Hufford, Hoffer), the 3rd son of Rudolph Hoffer I, was born in Bedford Co. PA, 14 Dec 1781. The local records show that he was married to Margaret Whitman, and although no marriage record has been found locally the family information shows that they wre married on 20 Dec 1815. According to the Davis law suit, he also was married at one time to Elizabeth Davis who died in 1813, although there is no record of the marriage. Henry was by trade a stone mason, brickmason and plasterer. It is not clear if he lived in the town of Evansham or was employed doing work for citizens of the town. However he did own some lots at various times.... First mentioned in Wythe County records in 1805 when certain items of his personal property were stolen by Daniel Cunningham. In 1809 he was paid \$27.34 as a stone mason for repairing the courthouse and jail. In 1870 one Henry Hufford purchased 1/2 of lot 41 in Evansham from Joseph Leedy and his wife Margaret (would be son probably). In 1813 he purchasesd lot 63 from William Prwton who had bought the lot the year before from Calvin Morgan who had moved to Knoxville, Tn. Husband	Jacob Harrell
Wife	Anne Hannah Davis
Notes HUSBAND - Jacob Harrell Don't know if Jacob was the son of Reuben Harrell but Reuben did have a son Jacob. This Jacob was said to marry Anne Davis bef 1810. Book "Abstracts of Court Orders of Wythe Co. VA 1841-1850 Vol 5" by Mary Kegley pub 2000 pg 2: On the motion of Jacob Harrel who on behalf of the heirs of Reuben Harrel, deceased, wished to obtain a military land for services in the Rev. War by Reuben, his father and it appeared to the court by the evidence of David Sayers and Isaac Lehw that the following were children of Reuben Harrell: Jacob, William, John, Nathanile, Enoch, Robert, Hannah, Rebecca, James, Bayless and Henry, the last three died in infancy. This was dated Mar 1831 Was this referring to this Jacob? 1820 Wythe Co. So could be that Jacob md by 1829 to have son John b. 1829 and James 1831. 1860 Wythe Co. VA pg 291 942/942: Again not sure is this Jacob but believe it maybe. This would be right ages for Jacob Harrell and Anne Hannah Davis? Could be Jacob Harrell 1850 b. 1778 (other records 1790) According to Pedigree chart One Jacob Harrell 1778 md Hannah Marie Adair 1787-1828 and one child John Harrell 1829. So this might mean Jacob Harrell md 2nd to "Ann" Hannah Davis after 1st wife died in 1828 and md 2nd and had son John b. 1829 and another son James b. 1831. "Ann" Hannah Davis 1788 (other records 1792) Also listed Anne and Jacob md bef 1810 which would be this Anne I don't think? Do need more work on this family.

HUSBAND - Johannes (Lewis) Hutzel

Johannes Hutzel son of Johann Georg Hutzel and Anna Maria Magdalena Schweinhardt 10 Apr 1775 in Shenandoah Co. VA. Also said born in Prince Geo Co. (now Frederick Co. MD)

Info from John & Mary Davis internet site John Hutsell Sr., the son of Johan George and Anna Maria Magdalena Schweinhardt Hutzel was born on 4 Dec 1746 Prince Geo Co. (now Frederick Co.) MD.

John along with his brothers George and Ludwig migrated to the Shenandoah Valley of VA in the 1770's. All of the records in VA with the exception of his marriage and the signature on his will show his name as Johannes Hutsell and John Hutsell. The marriage and will signatures are Hutzel.

The marriage of John Hutzel and Elizabeth Davis on 10 Apr 1775 was found in Shenandoah Co. VA. Elizabeth was a daughter of John Davis who apparently accompanied the Hutsells thru the Shenandoah Valley to Montgomery Co. (now Wythe Co.) VA prior to 1781.

On 5 May 1778 John Hutzel and Elizabeth, wife of Dunmore Co. (now Shenandoah Co.) Virginia sold one half of lot 128 in Elizabethtown, Maryland. It is not established how John came into possession of this land, but he evidently purchased it at the time of the original Elizabethtown (Now Hagerstown) plat.

By 1781 John and Elizabeth were living in Montgomery Co. (now Wythe Co.) VA. John is listed on the roster in Capt. James Finley's Co. of the VA Militia in 1781.

The only land record found in VA for John Hutsell was when he purchased 120 acres of land on Cove Creek, Wythe Co. on 8 May 1804. John and his family evidently lived on rented lands or on the property of relatives until his death. In his will John devised his estate to his wife Elizabeth and after her death, the real estate was to be divided between his 2 sons, John & George. (that would appear Ludwig Lewis would have died)

John & Elizabeth had 4 children: Catherine, Susannah, John and George H.

WIFE - Elizabeth Davis

Did she marry a Samuel Wisley after Johannes died. WikiTree site of Father John Davis 1737-1796 listed a daughter Elizabeth Davis Wisley.

CHILD 4 - John Hutzel

The internet site of John & Mary Davis has much on John but only names of children.

John Hutsell Jr., son of John and Elizabeth Davis Hutsell was born in Montgomery Co. (now Wythe Co.) VA. abt 1787. He was married in Wythe Co. 15 Mar 1809 to Mary Ann Polly Keller who was born abt 1790 VA.

John Hutzell Jr., son of John and Elizabeth Davis Hutzell was born in Montgomery Co. (now Wythe Co.) VA. abt 1787. He was married in Wythe Co. 12 Mar 1809 to Mary Ann Polly Keller who was born abt 1750 VA.

The internet site of John & Mary Davis has much on John but only names of children.
CHILD 4 - John Hutzell

WIFE - Elizabeth Davis
Did she marry a Samuel Wiley after Johannes died. Wilshire site of Father John Davis 1737-1795 listed a dau Elizabeth Davis Wiley.

John & Elizabeth had 4 children: Catherine, Susannah, John and George H.

In each instance the reason was debts owed to Henry Hoppess Jr, James Ward, John Ward, the administrator of James Ward, deceased, and Leonard Straw. In 1830 another deed of trust was placed on a house and lot on the north side of Main street where John Seavers lived, but no number was given. In 1835 Davis sold lot 71 to Martin Kegley for \$400. Pg 108: Joseph Davis is probably the son of John Davis Sr and is often identified as Joseph Davis Sr. in the records. His first purchase of lots in town was in 1813 when he obtained lots 69 and 70 from Lewis Hutzell and wife, Eve. In 1815 when the tax assessments were made, in addition to a farm on Reed Creek and acreage on Lick Mountain, Joseph Davis had 2 lots in Evansham on north side of Main street (same as above info). In 1821 following a suit, Harond Smyth made a deed to Davis for lot 55 in the town and in 1823, Joseph obtained the release in lot 55 from the widow, Susannah Reddick, who was then the wife of Hugh Wilson. This lot was located on the south side of Main Street, the 2nd lot west of present 7th Street (Wythe Co. In 1821 Joseph Davis, identified as Senior, put a deed of trust on the three lots on the north side of the street. One of them was in possession of John J. Woolford. In 1828 another deed of trust was put on the same lots as well as 307 acres on Reed Creek. In 1825 and again in 1828 he put a deed of trust on lot 55 and his lot in Mt Airy. In each instance the reason was debts owed to Henry Hoppess Jr, James Ward, John Ward, the administrator of James Ward, deceased, and Leonard Straw. In 1830 another deed of trust was placed on a house and lot on the north side of Main street where John Seavers lived, but no number was given. In 1835 Davis sold lot 71 to Martin Kegley for \$400. In 1838 lots 69 & 70 were also sold to Martin Kegley (Wythe Co. Deed Book 9 p102, Book 10 p1856, Book 11 pp21, 112, 536, Book 13 pp130, 795. The Joseph Davis whose inventory was taken in 1827 is not the Joseph of the Town of Evansham as he was still alive in 1838. Nothing else is known of him.

Biography

(1) Joseph S Davis, b 1763, who was to inherit all of his father's land devised by the will after the death of his mother in 1827. His estate was appraised in Jul and an Inventory and Bill of Sale dated August, 3, 1827 was recorded. He was appointed administration of his estate. The 1810 census for Wythe Co. shows that they had eight children. 1796 - May 18: Joseph Davis was listed as a son of John Davis in John's will that was proven Sep. 14, 1787. John bequeathed to his son Joseph all his land and appurtenances and an equal part of his personal estate to be equally divided after the death of my wife between Joseph and the rest of the children [Wythe Co., VA Will Book 1, pages 90 & 91]. Joseph Davis b. 1763 married Margaret Peggy (?) Hays.

Numerous Wythe Co. petitioners signed a document protesting the obstruction of a dam erected by Andrew and James Crockett at their ironworks on Reed Creek and requested that they be compelled to erect a slope "in such a manner as shall be sufficient to admit the passage of fish". Joseph Davis was one of many signatories of the document. 2 Vol II, Pg 375. - Joseph Davis owned more than 300 acres of land on both sides of Reed Creek, adjoining each other. One tract of 134 acres was patented in the name of John Davis, Sep. 16, 1795, another Aug. 25, 1796 and containing 165 acres - This was likely the inheritance he received from his father. A small parcel, patented in the name of John Hutsell (likely a relation to his mother Mary Hutsell) was purchased in 1803. [From a Paper titled General Developments on
